Holding Back The Tears

Rose Garden Press This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with

her loss on her own and “needs no help from anyone, thank you” - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Dry Heat

A Novel

Elhuevopublishing Dry Heat is the debut novel by indie author Steven Eggleton. A dirty, angry, and often painfully funny read, Dry Heat explores the angst and confusion people in their early twenties frequently feel. Written in Eggleton's skeptical, sardonic, and bluntly frank narrative voice, the book chronicles a little over a year in the life of Vincente Vasquez, a disillusioned grocery-store clerk living in Tucson, Arizona. Chiefly concerned with escaping the drudgery of work, social equality, and the pursuit of sex; Dry Heat is a visceral and raw novel that's sure to leave an impression.

Tropiline Bajan Design

Createspace Independent Publishing Platform This black and white (B&W) Edition of Tropiline Bajan Design (USA Design Patent Des 328198 S) was designed to be of special value to students, artists, and academics. It is about the best modern product design ever to come out of an emerging market and is a major advance in international modern art with cultural, personal, and regional influences all synthesized to produce a masterpiece. It is a single line drawn in space as the essence of the design, like Malevich's rotated linear squares, Saarinen's St. Louis Arch, and Brancusi's Bird in Space! "Even less is even more" permeates the philosophy, which is an amazing chronology of the creative process, the struggles of innovative artists, perseverance and determination (as the design moves around the world from Barbados, to Denmark, to China); with a challenge to all emerging markets (and communities) to move forward modern progressive principles in an age of increasing globalization and international cooperation. The B&W version has a chiaroscuro that is very powerful allowing the brilliant modern forms throughout the book to emerge purely.
