BOUGHT WITH BLOOD

THE DIVINE EXCHANGE AT THE CROSS

Chosen Books At the cross Christ made possible a "divine exchange" for everyone who believes in him. What is this

exchange? Because Jesus endured all the evil due to humankind, believers can actually partake in all the good due to him. In this meaty book, acclaimed scholar Derek Prince explores the astounding results of the atonement for followers of Christ. In place of punishment, wounding, death, poverty, shame, and rejection, Christ freely offers forgiveness, healing, life, abundance, glory, and acceptance. In addition, Prince gives biblical grounding for five areas of deliverance that are made available through the cross: deliverance from this present evil age, from the law, from self, from the flesh, and from the world. This brand-new edition includes a new mini-study course at the end of each chapter, perfect for individual or small group study.

DEATH WAITS IN THE DARK

Blackstone Publishing It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced

to make a decision that will haunt him for the rest of his life.
