National Agenda for Motorcycle Safety

Adventure Motorcycling Handbook

Trail Blazer Publications Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

BMW 5 Series (E39) Service Manual 1997-2002, Volume 2: 525i, 528i, 530i, 540i, Sedan, Sport Wagon

Bentley Publishers The ultimate service manuals! Bentley manuals are the only comprehensive, single source of service information and specifications available for BMW cars. These manuals provide the highest level of clarity and completeness for all service and repair procedures. Enthusiasts, do-it-yourselfers, and professional technicians will appreciate the quality of photographs and illustrations, theory of operation, and accurate step-by-step instructions. If you are looking for better understanding of your BMW, look no further than Bentley. Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.

Road & Track

Lone Rider

The First British Woman to Motorcycle Around the World

Michael O'Mara Books In 1982, at the age of just twenty-three and halfway through her architecture studies, Elspeth Beard left her family and friends in London and set off on a 35,000-mile solo adventure around the world on her 1974 BMW R60/6. Reeling from a recent breakup and with only limited savings from her pub job, a tent, a few clothes and some tools, all packed on the back of her bike, she was determined to prove herself. She had ridden bikes since her teens and was well travelled. But nothing could prepare her for what lay ahead. When she returned to London nearly two and a half years later she was stones lighter and decades wiser.

She'd ridden through unforgiving landscapes and countries ravaged by war, witnessed civil uprisings that forced her to fake documents, and fended off sexual attacks, biker gangs and corrupt police convinced she was trafficking drugs. She'd survived life-threatening illnesses, personal loss and brutal accidents that had left permanent scars and a black hole in her memory. And she'd fallen in love with two very different men. In an age before email, the internet, mobile phones, satnavs and, in some parts of the world, readily available and reliable maps, Elspeth achieved something that would still seem remarkable today. Told with honesty and wit, this is the extraordinary and moving story of a unique and life-changing adventure.

Honda MSX125 (GROM) '13 to '18

Adventures Round the World

Lois on the Loose

Random House Young and beautiful, Lois Pryce was a rising star at the BBC. Unbeknownst to her co-workers, Lois lived a parallel life as a biker babe with an overwhelming sense of wanderlust. So she packed in her career to ride her motorcycle on her own from the northernmost tip of Alaska to the southernmost tip of South America. Alone. Armed only with the Spanish words for 'caution' and 'cheese', Lois was rather under-prepared for multiple bear sightings, bribing her way through borders, spending a night in a Mexican brothel and crashing her bike in the wilds of Patagonia. She most certainly got the adventure she craved, and her pulse-pounding, soul-searching adventure has already attracted fans worldwide - a weblog that she kept whilst on her travels was receiving more than two-thousand hits a day. Her hilarious, brilliantly written travelog will appeal to anyone who's ever dreamt of jacking-it-all-in and running away to see the world.

The Geometry of Holding Hands

Hachette UK THE THIRTEENTH INSTALLMENT OF THE MUCH-LOVED ISABEL DALHOUSIE SERIES When Isabel Dalhousie and her husband Jamie book a table at an expensive Edinburgh restaurant, she finds herself battling with her conscience. Lately, there has been a lull in work for the Review of Applied Ethics, and the care of their young sons, Charlie and Magnus, is often undertaken by their housekeeper Grace. Is Isabel deserving of such a luxurious dinner? But Isabel holds herself to impossible moral standards. Not so, the parents of one of Jamie's students, who have no qualms about ensuring their son's place in the school orchestra, despite his mediocre talent. In the restaurant, Isabel witnesses a row between local businessmen; another reminder that thoughtless ambition is too often second nature to others. Compelled to intervene in the aftermath, Isabel's sense of integrity is observed by a fellow diner, Iain Melrose, who seeks out her help. He must decide which of his remaining relatives should one day inherit his estate. Isabel, he believes, would make a just executor of his will. While she deliberates, another troubling situation arises with her niece, Cat, whose relationship with the unlikeable Leo is causing her to behave recklessly, putting Isabel in a very difficult position. Faced with such weighty decisions, can Isabel balance compassion and integrity to make the right choice for all, and to protect those she holds dear to her heart?

Motorcycle Accident Cause Factors and Identification of Countermeasures

Running With The Moon

Random House Jonny Bealby was devastated when his fiancée Melanie died unexpectedly while they were travelling in Kashmir. Two years later, still heartbroken and utterly disillusioned, he took on the challenge of a lifetime. Setting out with only his motorbike for company, he began a daring and dangerous journey around the African continent in a desperate attempt to unearth some meaning in his life. Bittersweet, bold and beautifully told, Running with the Moon is a tale of true love and loss, of exploration, adventure and courage.

Riding the Edge

Motorcycle Messengers

Tales from the Road by Writers Who

Ride

"Motorcycle Messengers" is a collection of travel stories from some of the leading writers in the genre . . . plus a few people you've never heard of. Consider it a sample pack of authors. Stuff a copy into your saddlebag, read a story by the fire, and discover your new favourite motorcycle travel writer. Lois Pryce exploits her dead grandmother and an imaginary husband to access the Congo. Neil Peart finds his rhythm through the curves of North Carolina. Geoff Hill breaks a Royal Enfield, falls in love, and becomes a hookah hooligan in Iran. Mark Richardson puts his foot up and makes connections in Rwanda. Christopher P. Baker nearly crashes as he crushes crustaceans in Cuba. Ted Simon ponders humanity while observing a rescue at sea off the coast of Malaysia.

Two Wheels Through Terror

Diary of a South American Motorcycle Odyssey

E C W Press Ripped from his motorcycle by Colombian rebels and robbed of everything, adventure motorcyclist Glen Heggstad journeyed through South America, and the trip became a nightmare as he was forced to march through strange jungles carrying heavy equipment with assault rifles at his back. Even with all the hand-to-hand and sophisticated combat training Heggstad possessed, this chronicle shows that it was his shrewd thinking, precise planning, and a "do-or-die" last act of desperation that eventually secured his freedom. The shocking personal tale of an unimaginable journey through Central and South America, this travelogue details one man's capture by Colombia's rebel National Liberation Army and the eventual realization of his dream to complete his journey.

10 Years on 2 Wheels

Berek The Blackguard

For fans of GRR Martin & Joe Abercrombie etc, keen on some hard-boiled, gritty Grimdark fantasy lit, here's a wicked, shooter-sized tale from Bravo Books that'll snatch you by the collar & drag you along on an unputdownable rollercoaster ride: AN EPIC GRIMDARK FANTASY NOVELLA Once the great betrayer of his own native Alba, the infamous warrior Berek the Blackguard went on to seize its crown through bloody murder. But King Berek I's power would be broken within days, when his army was destroyed by the invading forces of the Kryger Emperor. Disgraced by defeat, Berek was reduced to fleeing his enemies across his own Kingdom of Alba, a land soon crushed beneath the cruel heel of Krygerdom. Before long he lost his wife,

daughter, and everything else he held dear. But after seven years on the run, Berek soon finds himself the unlikely leader of the latest Alban revolt against Kryger tyranny. Along with his small band of loyal allies, Berek must stand up once more to the Kryger Emperor, who has turned up on the battlefield at the head of an almighty host. The last fight for Alba beckons beyond the Harrow Hill, where Berek and his ragtag army must overcome impossible odds to win eternal freedom.

A Purrfect Match

Dreamspinner Press When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night-while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future-not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.
