### **PRINCE2 FOUNDATION TRAINING MANUAL**

---

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

## **CHICAGO NOIR**

---

Akashic Books "If ever a city was made to be the home of noir, it's Chicago. These writers go straight to Chicago's noir heart" (Aleksandar Hemon, National Book Award finalist and New York Times-bestselling author of The Lazarus Project). Chicago's rough-and-tumble tough-guy reputation may have been replaced in recent years by the image of a tourist- and family-friendly town—but that original city isn't gone. The hard-bitten streets once represented by James Farrell and Nelson Algren may have shifted locales, and they may be populated by different ethnicities, but Chicago is

still a place where people struggle to survive and where, for many, crime is the only means for their survival. The stories in Chicago Noir reclaim that territory, in tales of hired killers and jazz men, drunks and dreamers, corrupt cops and ticket scalpers and junkies, of a place where hard cases face their sad fates, and pay for their sins in blood. Brand new stories by Neal Pollack, Achy Obejas, Alexai Galaviz-Budziszewski, Adam Langer, Joe Meno, Peter Orner, Kevin Guilfoile, Bayo Ojikutu, Jeffery Renard Allen, Luciano Guerriero, Claire Zulkey, Andrew Ervin, M.K. Meyers, Todd Dills, C.J. Sullivan, Daniel Buckman, Amy Sayre-Roberts, and Jim Arndorfer. "Chicago Noir is a legitimate heir to the noble literary tradition of the greatest city in America." —Stephen Elliott, author of Happy Baby
