Explore Europe on Foot

Your Complete Guide to Planning a Cultural Hiking Adventure

Mountaineers Books 2018 Chanticleer I & I Grand Prize Book Award Winner

Move over traditional sightseeing, throngs of visitors, and tourist traps! Explore Europe on Foot gives travelers an alternative way to discover Europe. A hiking vacation offers countless rewards: the time to admire the tidiness of a village farm, soak in the rugged alpine view from a rocky perch, and absorb a country through the smells of its landscape and encounters with locals. Explore Europe on Foot is a complete guide to conceptualizing, planning, and executing the slow-travel hike (or hikes!) of a lifetime. Author Cassandra Overby tells you how you can spend all, or even just part, of your vacation enjoying scenery, small towns, and cultural experiences most travelers miss—all without carrying a big backpack. This guide offers all the nuts and bolts you need: how to choose a route that is right for you, how to plan, what to pack, what to expect, how to find accommodations and food, how to deal with challenges along the way, and so much more. These aren't wilderness backpacking trips, but rather a wide range of town-to-town walks that offer the opportunity to have an authentic, affordable, restorative vacation. Travelers will also appreciate overviews of fifteen long-distance trails in Belgium, France, Italy, Germany, Great Britain, Morocco, Portugal, Spain, Switzerland, and Turkey, with itineraries that range from one to fifteen days. For those unwilling to go all-in, Cassandra also offers tips on incorporating day-hike outings into a more traditional vacation. The focus is on how to craft that more immersive vacation so users of the guide will be able to apply what they learn to their own dream destinations. 15 Handpicked Walks include: Rota Vicentina, Portugal English Way, Spain Mont Saint-Michel, France Alsace Wine Route, France Tour du Mont Blanc, France and Italy Cinque Terre 2.0, Italy Lycian Way, Turkey Alpine Pass Route, Switzerland King Ludwig's Way, Germany The Moselle, Germany The Ardennes, Luxembourg and Belgium The Lake District, England, UK West Highland Way, Scotland, UK Laugavegur Trek, Iceland The Sahara Desert, Morocco

Walking in Portugal

40 graded short and multi-day
walks throughout the country

Cicerone Press Limited This guide describes 40 graded walks, ranging from gentle family strolls to strenuous mountain hikes (including Portugal's highest peak Torre). The mainly circular routes range from 5 to 25km, and there are also two longer walks of 2 to 4 days duration. The walks are spread throughout Portugal, with a focus on the country's many natural and national parks, including Peneda-Geres, Serra da Estrela and Costa Vicentina. Clear route description is illustrated with 1:50,000 mapping and a route summary table makes it easy to choose the right walk. As well as practical travel advice, there is information on Portugal's geology, history, plants, wildlife and agriculture and on numerous local points of interest. From the rugged mountains of the north to the UNESCO-listed Rio Douro river valley, from traditional schist villages to the unique geology of the Algarve coast, the walks have been carefully selected to showcase some of the best Portugal has to offer. They take in granite peaks, wildflower meadows, woodland, waterfalls, castles, churches and archeological remains.

Combinatorics: The Rota Way

Cloud Atlas

Hachette UK **CLOUD ATLAS**, David Mitchell's bestselling Man Booker Prize-shortlisted novel which was also one of Richard & Judy's 100 Books of the Decade, has now been adapted for film. In this enhanced edition you can read the original novel along with a new essay by David Mitchell about the transformation of his novel into a film, and watch four exclusive videos about the book and film. The major motion picture, directed by Lana Wachowski, Tom Tykwer, and Andy Wachowski, stars Tom Hanks, Halle Berry, Susan Sarandon, Jim Sturgess, Ben Whishaw, Jim Broadbent Hugo Weaving, Doona Bae, James D'Arcy, Zhou Xun, Keith David and Hugh Grant. The novel features six characters in interlocking stories, each interrupting the one before it: a reluctant voyager crossing the Pacific in 1850; a disinherited composer blagging a precarious livelihood in between-the-wars Belgium; a high-minded journalist in Governor Reagan's California; a vanity publisher fleeing his gangland creditors; a genetically modified dinery server on death-row; and Zachry, a young Pacific islander witnessing the nightfall of science and civilisation. The narrators of **CLOUD ATLAS** hear each other's echoes down the corridor of history and their destinies are changed in ways great and small. Mitchell's other novels are **GHOSTWRITTEN**, **NUMBER9DREAM**, **BLACK SWAN GREEN** and **A THOUSAND AUTUMNS OF JACOB DE ZOET**, all published by Sceptre.

Introduction to Probability with R

Chapman and Hall/CRC This text presents R programs and animations to provide an intuitive yet rigorous understanding of how to model natural phenomena from a probabilistic point of view. It centers on viewing probability as a way to look at the world and shows how to combine and link stochastic processes to form more complex processes that are better models of natural phenomena. The text also covers the Poisson process, transforms, Bayesian networks, entropy and information, and Markov chains. Each chapter includes a short biographical note about a contributor to probability theory, exercises, and selected answers. Ancillary material is accessible online.

Walking in the Algarve

33 walks in the south of Portugal including Serra de Monchique and Costa Vicentina

Cicerone Press This guidebook describes 33 walks in the beautiful Algarve in southern Portugal. Boasting good weather, easy access, stunning scenery and some great hiking trails, the region is a perfect destination for a walking holiday. It is best known for its spectacular coastline: the coastal trails presented here afford ample opportunity to admire the plunging sinkholes, striking sea-cliffs and rock-hugged beaches. However, the interior is every bit as beautiful and other walks explore the forested slopes of Monchique and the tranquil countryside between the mountains and coast. The routes range from 3.5 to 17km and cover the sun-kissed south coast, the rugged Vicentina Coast, the Monchique mountains and traditional villages of the eastern Algarve. Many can be accessed by public transport and details, along with tips on refreshment opportunities on route, are provided in the text. The route description is accompanied by clear mapping and notes on local points of interest. Showcasing the region's varied landscapes, highlights include Cabo de São Vicente, Europe's most southwesterly point; the Algarve's highest peak, Fóia

(902m); historical sites; dramatic cliffs, arches and sea-stacks; and idyllic beaches. With information on the Algarve's history, plants and wildlife and advice on travel and potential bases, the guide is an ideal companion to exploring this captivating region.
