MY NAME IS VASELINETJIE

She is Helena Bosman, from a tiny little town lost in the vast expanses of the Northern Cape, but Grandpa and Grandma call her Vaselinetjie. She is their little angel from the veldt, the beginning and the end of their world. But when Vaselinetjie is ten years old, two officials from Welfare step in and she is sent away to a boarding school in Gauteng – the orphanage where Madiba’s reject children have to live. It’s a strange, hard, dangerous world of scum children, bad-tempered matrons and a harsh, unfair principal; a world of smoking cigarette butts, having one’s hair shaved off and making plans to run away. It’s a world where no one bothers about anyone else, where you too learn not to give a damn. But as the months turn into years, there is one name that crops up again and again: Texan Kirby. And that name does strange things to Vaselinetjie’s heart.

I KNOW WHY THE CAGED BIRD SINGS

Random House Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.
