## SME Mining Reference Handbook

*SME A practical field reference for mining and mineral engineers that is small enough to carry into the field. With its comprehensive store of charts, graphs, tables, equations, and rules of thumb, this handbook is the essential technical reference for mobile mining professionals.*

Certain Air Impact Wrenches, Inv. 337-TA-311

*DIANE Publishing*

Official Gazette of the United States Patent Office

# List and Index of War Department Publications

## Field Methods for Geologists and Hydrogeologists

*Springer Science & Business Media From the reviews: "...is a "must" for serious field novices, and for seasoned middle-career and senior practitioners in hydrogeology, mainly those people who answer a calling to offer honest and accurate hydrogeological approximations and findings. Any engineering geologist or groundwater geologist who claims capability as a "Hydrogeologist" should own this book and submit it to highlighting and page tabbing. Of course, the same goes for those who practice in karst terranes, as author LaMoreaux is one of the pioneers in this field, worldwide..." (Allen W. Hatheway)*
