How To Write: A Screenplay Revised and Expanded Edition Bloomsbury Publishing USA There are hundreds of books on the market, all trying to teach you how to write a screenplay. Several of them are excellent and useful books. But never - until now - has there been a screenwriting manual written in the form of a screenplay. Our hero, the aspiring screenwriter Danny, is hopelessly in love with Bebe, a hot young starlet. But Bebe won't go out with Danny until he proves that he can write a brilliant screenplay for her. Helped along the way by a mysterious guide (Virgil) with seemingly magical powers, Danny travels to Screenwriting Hell to see what happens to writers who never make the grade. Virgil teaches him the tricks of the trade, the fundamental techniques that all screenwriters have to master, no matter how great their ideas. But there's something a little strange about Virgil, and Danny is never sure whether to trust him or not... As well as the screenplay itself, the book includes an introduction explaining how to get the most out of the screenplay, the log line, the synopsis, character bios, the treatment, and "The Pitch" - a short scene that shows the author pitching his screenplay to a big-shot producer.

Screenwriting They Can't Resist How to Create Screenplays of Originality and Cinematic Power At a time when mainstream and independent film producers are despairing at their slush piles of tent-pole scripts that are derivative, formulaic and forgettable, desperately searching for bold and original work, screenwriter and Shakespeare scholar Pauline Kiernan offers a radically new and provocative approach to screenwriting for writers who want to discover how to create screenplays that are daring, inventive and wholly original- and have a real chance of getting developed. Out go the '3-Act Structure' and other structural constraints prescribed by the screenwriting 'gurus' that lead only to existential despair. Instead, the focus is on orchestrating all the elements of the script around the central imperative of all storytelling which Kiernan calls Emotional Pull. Intensive practical workouts and unorthodox ideas and inspirations as well as weblinks for scripts and video clips show how the screenwriter can develop for themselves their unique, creative vision to create screenplays of originality and solid market potential. Screenwriting They Can't Resist is for writers passionate about the wondrous potential of cinematic storytelling, who want their screenplays to challenge and disturb, excite and exhilarate an audience, and leave them emotionally and mentally stretched. Pauline Kiernan is a commissioned screenwriter, award-winning playwright and distinguished Shakespeare scholar. She is a visiting screenwriting tutor at the University of Oxford and creator of the website Unique Screenwriting.
