God's Feminist Movement

Redefining a “Woman's Place” From a Biblical Perspective

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

Always Wear Headphones

Bonsai Creative Studios LLC Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December. Midas

Createspace Independent Publishing Platform Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Live Sound Basics

The Fundamentals of Live Sound Engineering for Beginners

CreateSpace This book is about the fundamentals of live sound engineering and is intended to supplement the curriculum for the online classes at the Production Institute (www.productioninstitute.com/students). Nonetheless, it will be invaluable for beginning sound engineers and technicians anywhere who seek to expand their knowledge of sound reinforcement on their own. Written with beginners and novices in churches and convention centers in mind, this book starts by teaching you professional terminology and the processes of creating production related documents used to communicate with other sound engineers, vendors and venues. Subjects such as Signal Path and AC (alternating current) power safety and distribution are closely examined. These two subjects are closely related to the buzzing, humming and other noise related phenomena that often plague sound reinforcement systems. Chapters include an in-depth review of both analog and digital mixing consoles, their differences and similarities, and the gain structure fundamentals associated with the proper operation of either type of mixing console. Audio dynamic processors such as compressors, limiters and noise gates and their operation are explained in detail. Audio effects like delay and reverb are examined so that you can learn the basics of "sweetening" the mix to create larger and more emotive soundscapes and achieve studio-like outcomes in a live sound environment. Advanced mixing techniques, workflow, and the conventional wisdom used by professional audio engineers are explained so you don't have to spend years trying to figure out how these processes are achieved. Last but not least, a comprehensive review of acoustic feedback, and how to eliminate it from stage monitors and main speaker systems are detailed in a step by step process. This book will be especially helpful to volunteer audio techs in houses of worship, convention centers and venues of all types. It will bridge the gap between the on-the-job training that beginners receive and the knowledge and conventional wisdom that professional sound engineers employ in their daily routine.

Too Many Sisters

Callie Armstrong's personal life was already in turmoil. Now circumstances are forcing her to share her successful music production company with three business partners. One partner wants her husband. One partner wants her money. One partner wants her trust- even while keeping secrets. Is this how it is with all sisters? Callie has decisions to make and secrets to uncover and lies to unravel in the midst of the family chaos. The only thing she knows for sure is that when they're all together, it's just too many sisters. .

Inside Jazz (inside Bebop)

Da Capo Press, Incorporated Critic Leonard Feather was one of the earliest and most persistent champions of bop. It was he who persuaded RCA Victor that the new music was worth recording. His Inside Jazz is a full-length account of bop: its origins and development and the personalities of the musicians who created it. Numerous photographs and anecdotes bring this innovative era in jazz history back to life once more.

When Time Stood Still

Createspace Independent Publishing Platform Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

Me and My Piano Animal Magic

Essential Daily Exercises For The Young Pianist

Me and My Piano is the best-selling series by the distinguished authors Fanny Waterman and Marion Harewood. Designed especially for the needs of the younger beginner and delightfully illustrated throughout, the series aims to make learning the piano an enjoyable experience for both student and teacher. These essential daily exercises for the young pianist are based on classic studies of Czerny, Philipp and Dohnanyi, which play such a major role in the development of a fine piano technique. The technical points in *Animal Magic* (ranging from simple finger-strengthening exercises to chords, grace notes, staccato, couplets and confidence on the black keys) are imaginatively related to the characteristics of various animals, birds and insects. This book will transform dull practice routines into lively daily sessions.

Me First

A Deliciously Selfish Take on Life

Three Ducks in a Row Publishing Have you ever thought about what your life would be like if it revolved around you? *Me First: A Deliciously Selfish Take on Life* is an unapologetic and hilarious perspective on what it takes to get to the top and to live life on your own terms. Before making any big decision such as getting into a relationship or choosing a career path—you will start with the most important question: What do I want? The second question you will ask is: How does this decision, action, or choice benefit me directly? If it's not what you want or does not benefit you directly, don't do it. At the heart of *Me First* is the belief that YOU deserve to be happy and fulfilled. Its "Delish-isms" will show you how to become the number one priority in your life and become smarter and more strategic about your relationships, career, health, and finances. Every chapter also contains "Kick Starters" to help you get moving in the right direction. How selfish, right? Absolutely! A deliciously selfish life means taking a step back from the craziness to figure out who you are and what you want, and once you do, to own it. Because the only person holding you back from getting what you want is you.

Stop Sabotaging Your Life

3 Steps to Your Full Potential

Createspace Independent Pub In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that." — Cristina "The world is filled with

very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential." —Adrian "If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth." —Blaine

Crash Into Me (Heart of Stone #1)

Everafter Romance The first in the Heart of Stone series by New York Times and USA Today bestselling author K.M. Scott What would you give up for everything? Tristan Stone was powerful, commanding, sex incarnate. And he wore it all so well. From the moment his mesmerizing gaze met mine, I had no choice but surrender to everything he was. His power. His decadence. His passion. He was all I never knew I needed. He wanted to possess me, and I wanted to be his everything. All I had to do was accept what he offered. But everything has a price. The world he gave me fulfilled my wildest dreams, but would that be enough when the past crashed into the present?

Kitty Hawk and the Hunt for Hemingway's Ghost

Book Two of the Kitty Hawk Flying Detective Agency Series

Createspace Independent Pub Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second installment in a new series of adventure mystery stories that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

Me and My Piano Complete Edition

Me And My Piano Me and My Piano Complete Edition combines Parts 1 and 2 in one book. Part 1 takes the young pianist step by step through the earliest stages of piano technique, leading to very easy pieces for hands together using a constant five-finger hand position in C major. Complete Songs for Solo Voice and Piano, Part 2

Songs from Collections

A-R Editions, Inc. Britain, long revered for its choral music and partsongs, had largely neglected art songs since the Elizabethan era. The middle of the nineteenth century witnessed efforts to revive the genre, particularly in the works of Sir C. Hubert Parry and Sir Charles Villiers Stanford. The following generation, including the Scottish composer Hamish MacCunn (1868–1916), built on the foundations laid by Parry and Stanford and served as the bridge to the vocal music of Ralph Vaughan Williams, Sir Edward Elgar, Ivor Gurney, John Ireland, and ultimately Benjamin Britten. Though best known for his Scottish-influenced compositions, MacCunn composed over 100 songs that, free from national constraints, are some of the most refined and sophisticated examples of his music. Almost no modern editions of MacCunn's song exist, though many were published during the composer's lifetime. The current two-part edition presents the composer's 102 extant songs. Part 1 contains 53 individual songs; Part 2 presents the songs that were first published as small collections.

The Piano in Chamber Ensemble

An Annotated Guide

Indiana University Press **The Piano in Chamber Ensemble** describes more than 3,200 compositions, from duos to octets, by more than 1,600 composers. Angel Just-Rights

Chipmunkpublishing Ltd **Description**Angel Just-Rights tells of a plethora of mortifyingly unhealthy, demoralising, ritualistic and compelling behaviours that manifest deeply in a fragile life so touched by the world around her. This is an exclusive account, based on the remarkable and true story of Rebecca Parker (also known as Micci), the Protagonist and Author. Laugh! Shout! Cry, as we're finally invited to join this incredible quest for freedom. Delving into issues relating to everyday living such as dealing with strict family values, loyalty and devotion, the author intermittently riddles with her reader in efforts to gain the yearned-for rationality and reassurance she so desperately seeks. During chaotic deciphering, Parker encounters incongruence in evaluations as, how can implicitly pure intentions - living life selflessly protecting those you love - precipitate such devastating results? Parker gradually learns how coping in silence can cruelly fester, hastening devastating consequences: severe eating disorders (Anorexia Nervosa and Bulimia), post-traumatic stresses and flash-backs, self-harm and suicidal desires, problems with extreme over-exercise and increasing obsessions, rituals, distorted beliefs leading to incredibly debilitating episodes of low self-esteem, depression, hospitalisations, sectioning under the Mental Health Act and associated inequitable treatments enforced.
