MISBEHAVE

SPEAK TRUTH TO POWER

*First Books Women Who MisBehave*As a professional woman who had spent many years in the corporate workplace, I'd heard all the cautionary tales: how women would never be able to genuinely take a seat at the table with men; how strong women who wouldn't display proper subservience to their male superiors-or peers-would eventually find themselves locked out of meaningful opportunities; how women-especially black women-almost always faced the choice of "playing nice" and being seen as unimaginative drones or standing up for their principles and being labeled uncooperative bitches. I had apparently landed in the latter category, and that was the reason I was now out of a job.Was I the first woman in history who had found herself in this situation? As these new stories began to find their way to me, I learned that I most definitely was not alone in my predicament. In fact, I stood in a long line of women who "acted out" who refused to be defined by the stereotypes assembled by their patriarchal societies; who decided that their own dreams were better and more worthwhile than the dreams the rest of the world told them to have; who broke the rules and violated expectations in order to shout to a world that refused to listen, "I matter more than you think I do, and nothing you can do to me can change that!"*"Much of what is characterized as female 'misbehavior' is a matter of voice-of a woman insisting she be heard: paid not only attention, but also the respect due a being as fully human and necessary as a man."As I began a deeper examination into the stories of women who "misbehaved"-at least, according to the expectations of the surrounding society-I began to understand that what had happened to me was merely the tip of the iceberg of the type of mistreatment, misunderstanding, and outright hostility that women of all ethnicities have been exposed to since-well, since the beginning of time.Even after the advances of the last few decades, women are still subjected to a type of scrutiny and cultural vetting that most men do not dream of and cannot understand. Reading the stories of women who have made a difference, who have overcome obstacles and shaken off societal shackles to pursue their dreams, has convinced me that despite the successes of the past, so much more remains to be done. And the doing-the striving, persisting, and succeeding-has to start with me. And with you. This book is, at least in part, the call to a struggle. But it is a struggle that is ultimately worthwhile, ultimately uplifting, and ultimately indispensable. Listening to these stories of the brave, pioneering women who have gone before me has changed the way I see my experience. These stories have taken me on a journey of self-discovery and reevaluation...a journey that has resulted in the writing of this book. And now, in these pages, I want to invite you to take the journey, too.*

THE ART OF AGILE PRODUCT OWNERSHIP

A GUIDE FOR PRODUCT MANAGERS, BUSINESS ANALYSTS, AND ENTREPRENEURS

*Apress Every product owner faces a complex and unique set of challenges within their team. This provides each individual the opportunity to fill the role with different ambitions, skills, and insights. Your product ownership journey can take a variety of paths, and The Art of Agile Product Ownership is here to be your guide. Author Allan Kelly, who delivers Agile training courses to major companies, pulls from his experience to help you discover what it takes to be a successful product owner. You will learn how you need to define your role within a team and how you can best incorporate ownership with strategy. With the Agile method, time is the key factor, and after using the lessons from this book you will confidently be able to synthesize features, functionality, and scope against delivery. You will find out how other team members such as the UX designer and business analyst can support and enhance your role as product owner, and how every type of company structure can adapt for optimal agility. The Art of Agile Product Ownership is a beacon for current product owners, programmers who are ready to take the next step towards ownership, and analysts transitioning into the product space. This book helps you determine for yourself the best way to fill the product owner role so that you utilize your unique combination of skills. Product ownership is central to a successful Agile team, and after reading this book, you will be more than ready for the challenge. What You Will Learn*Explores activities the product owner needs to do in order to write good and valuable user storiesIdentifies skills product owners can learn from product managers and business analystsDemonstrates how to make decisions based on business and customer demand rather than technical needs and feasibility *Who This Book Is For*This is a book for anyone becoming a product owner: developers and programmers, who, after some years at the code-face, are ready to step up to the next stage to own the product that they have been coding. Business Analysts and Product Managers who see themselves transitioning into the a product owner role will find value in this book in understanding their new role and how the work is the same and how it is different

THE POLITICS OF PUBLIC BROADCASTING IN BRITAIN AND JAPAN

THE BBC AND NHK COMPARED

Taylor & Francis This book explores the remarkably similar national public broadcasters of Britain and Japan - the BBC and NHK. It considers the origins of both organizations in the 1920s, highlights how both have been major shapers of national life and national identity in their respective countries, how both have been significant innovators of broadcasting technology, and how both have high reputations for honest and balanced news reporting. It outlines how both have adapted to cope with successive major changes in the broadcasting landscape. The book also points out the major differences: the BBC's greater success at being commercial and entrepreneurial, the BBC's fierce protection of its editorial independence, often used to play a watchdog role in holding the powerful to account - which contrasts sharply with the approach of NHK, which cooperates with rather than confronts political elites, serving as an agent of social stability, whereas the BBC acts more as an agent of social change. As debates about the future of public broadcasting become more intense, this book provides useful evidence of how public broadcasting can be approached in different ways and how vital it is to democratic life.

TRUTH BOMBS

CONFRONTING THE LIES CONSERVATIVES BELIEVE (TO OUR OWN DEMISE)

Post Hill Press Why does the Republican Party always seem to betray conservatives in the end? How come Leftists never worry some "squishy" moderate will win Democrat primaries, even though conservatives in the GOP are constantly fighting that battle? Why do GOP leaders typically fight the conservative base harder than they fight the Democrats? How did the Left gain control of every major cultural institution in the country? Why does the Republican Party continue to fund (alleged) political enemies, such as Planned Parenthood? Is the GOP really the "the stupid party" or something much worse? Deace answers these questions and more in Truth Bombs, a definitive expose on why conservatism has no future—if it remains hostage to the unibrow-party duopoly.

PUBLIC MANAGEMENT IN GLOBAL PERSPECTIVE

Routledge Written by two authors with a wide range of experience in international affairs, this introductory text addresses both the commonalities and diversity of administrative practice around the world, including a succinct but thorough overview of PA in the United States. It combines solid conceptual foundations with strong coverage of nuts-and-bolts "how to" topics, such as personnel management, procurement, and budgeting, and covers both developed countries and developing and transitional economies.The book's chapters are organized into four major sections: government functions and organization; management of government activity; interaction between government and citizens; and prospects of administrative reform. Plentiful illustrations and examples throughout the book, and "What to Expect" sections and discussion questions in each chapter, make this an ideal text for any PA course that takes a global perspective.

NEXT-GENERATION ETHICS

ENGINEERING A BETTER SOCIETY

Cambridge University Press Leaders from academia and industry offer guidance for professionals and general readers on ethical questions posed by modern technology.

AN UNEXPECTED JOURNEY

REFLECTIONS ON PASTORAL MINISTRY

Westminster John Knox Press J. Philip Wogaman offers candid reflections on his service as Senior Minister at Foundry United Methodist Church in Washington, D.C., an unexpected journey that he began at the age of sixty following a full career as an ethics professor. Wogaman chronicles the tasks he faced as a new pastor, tasks with which every pastor deals--effective and faithful preaching, balancing pastoral and prophetic roles, presenting the church to the public media, dealing with prominent church members, and addressing stewardship. He also discusses the challenges of succeeding a long-loved pastor who departed under a cloud, the responsibilities of pastoring to a president, and his efforts to balance the roles of a pastor against such a dramatic backdrop. Identifying his own successes and mistakes, Wogaman provides fresh insights on parish ministry that are sure to become guideposts for all pastors.

HANDBOOK OF RESEARCH ON DIGITAL MEDIA AND CREATIVE TECHNOLOGIES

IGI Global Emerging technologies enable a wide variety of creative expression, from music and video to innovations in visual art. These aesthetics, when properly explored, can enable enhanced communication between all kinds of people and cultures. The Handbook of Research on Digital Media and Creative Technologies considers the latest research in education, communication, and creative social expression using digital technologies. By exploring advances in art and culture across national and sociological borders, this handbook serves to provide artists, theorists, information communication specialists, and researchers with the tools they need to effectively disseminate their ideas across the digital plane.

REVELATIONS OF THE FALLEN

THE BLASPHEMY OF ASTRIAL BELTHROMOTO

Xlibris Corporation Revelation of the fall: The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the Fallen: The Blasphemy of Astrial Belthromoto. The story begins at the end of creation, the end of our lives in this universe and the destruction of them by a being called Eversor. The main character Astrial is a fallen angel telling the story from his perspective beyond the creation of this universe and into a reality where the a Creator of all Creator resides. He was the angel of intelligence and the most high scribe before he fell himself. He takes you through his torment by Evil and how he is forced to chose between these world that he doesn't really belong to. He shares insight into how evil was born and most importantly how everything we think we know about good and evil is really motivated by agendas. He introduces you to the four Eternals that have a lot to with how this story plays out. He then gives you insight into the war in heaven, the fall of the angels and how a small decision by a being led to this obsession with man. He gives you the history of the earth and the makers of mankind and their civilizations that still exist today. He leads you out of the garden of Eden and shows you the very rocky relationship between Adam and eve. Astrial finally leads you into the final wars of mankind when there was ordered a mass exodus from this planet leaving us totally alone.

THE CASE FOR FREE CHINA

BEING SOCIOLOGICAL

Bloomsbury Publishing Being Sociological considers the lived experience of sociology, stressing the active nature of social life and highlighting the role that students can play in enacting social change. Fully reworked in this third edition, with five brand new chapter topics and a diverse roster of new contributors, this textbook presents a fresh take on society today. The book encourages readers to examine both enduring challenges and their potential solutions. Dynamic learning features help students unpack key ideas from sociological theory and apply them to today's problems to cultivate their own sociological imagination. An inspiring read, this textbook will empower students to engage with sociology outside the classroom and embed it in their everyday lives. With new contributors, fresh organisation and a vibrant student-centric focus, this third edition brings Being Sociological fully up to date and reaffirms its place as an invaluable introduction to sociology for students new to the field. New to this Edition: - All chapters completely rewritten to provide a fresh overview of sociology today - Coverage of five new chapter subjects : including social movements, urbanization, migration and sport and leisure, reflecting their centrality in modern life and in introductory sociology courses - A focus on the SHIP framework, moving away from social categories to consider instead society's structural composition, its historical patterns and power inequalities and their interplay in individual lives - A forward-looking, optimistic orientation, bolstered by new pedagogical features inviting students to consider pathways for change

US DEFENSE POLITICS

THE ORIGINS OF SECURITY POLICY

Taylor & Francis This book provides an accessible overview of US defense politics for upper-level students. This new edition has been fully updated and revised, with a new chapter on veterans and new material on topics such as cyberwarfare and lobbying. Analyzing the ways in which the United States prepares for war, the authors demonstrate how political and organizational interests determine US defense policy and warn against over-emphasis on planning, centralization, and technocracy. Emphasizing the process of defense policy-making rather than just the outcomes of that process, US Defense Politics departs from the traditional style of many other textbooks. Designed to help students understand the practical side of American national security policy, the book examines the following key themes: US grand strategy; who joins America's military; how and why weapons are bought; the management of defense; public attitudes toward the military and casualties; the roles of the president and the Congress in controlling the military; the effects of 9/11 and the Global War on Terror on security policy, homeland security, government reorganizations, and intra- and inter-service relations. The third edition will be essential reading for students of US defense politics, national security policy, and homeland security, and highly recommended for students of US foreign policy, public policy, and public administration.

FRAME OF MISBEHAVIOR

Lulu.com

WHY WE ACT

TURNING BYSTANDERS INTO MORAL REBELS

Belknap Press Now and then, we hear about everyday heroes riding to the rescue when they see someone suffering or being harassed. But most bystanders don't intervene. Catherine Sanderson turns to cutting-edge research in social psychology and neuroscience to explain why we so often fail to act and offers practical strategies to nudge us into being brave.

PINOCCHIO, THE TALE OF A PUPPET

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out,

"Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

TRANSFORMING TOXIC LEADERS

Stanford University Press Unlike other books written on "toxic leaders," this book takes issue with the predominant view that "toxic leaders are bad" and destructive to their companies. Rather, the author argues that even highly productive leaders have some toxic qualities central to their success story. The book redirects the conversation about toxicity in a more productive direction, as toxic leaders are not just viewed as villains and liabilities, but are also considered as potential assets, innovators, and rebels. Working on the premise that "toxicity is a fact of company life," the book provides organizations with a model and blueprint on the advantages to be gained from skillful anticipation, control, and handling of troubled and difficult leaders. In contrast to dysfunctional organizations that ignore toxicity or dwell on the perceived destructive impact of toxic leaders, successful companies come up with resourceful, innovative strategies for turning seeming deficits into opportunities.

THE ORIGINAL ARAMAIC NEW TESTAMENT IN PLAIN ENGLISH

David Bauscher This is a translation (8th edition-2015) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament with Psalms & Proverbs at the end. This translation is derived from the author's Aramaic-English Interlinear New Testament + Psalms & Proverbs interlinears. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" (?Jesus? in ancient Aramaic) as He originally spoke them, in a literal, accurate and readable English rendering. Abundant documentation of the Aramaic Peshitta as the original NT is included. 609 pages in B&W. 6 x 9" Hardcover. The author's web site is aramaicnt.com

STONES OF REMEMBRANCE

A ROCK-HARD FAITH FROM ROCK-HARD PLACES

Moody Publishers When times get difficult--and they will--we all have a choice. We can either dwell on the crashing waves or turn our focus to the solid rock on which we stand. In this bedrock book of faith and assurance, Lois Evans draws the reader's attention to those points in life when God has shown His enduring faithfulness, creating "memory stones" that will serve as a lifelong anchor of hope amid the rushing floodwaters of life.

SPEAKING TRUTH TO POWER - A THEORY OF WHISTLEBLOWING

Springer Whistleblowing is the public disclosure of information with the purpose of revealing wrongdoings and abuses of power that harm the public interest. This book presents a comprehensive theory of whistleblowing: it defines the concept, reconstructs its origins, discusses it within the current ethical debate, and elaborates a justification of unauthorized disclosures. Its normative proposal is based on three criteria of permissibility: the communicative constraints, the intent, and the public interest conditions. The book distinguishes between two forms of whistleblowing, civic and political, showing how they apply in the contexts of corruption and government secrecy. The book articulates a conception of public interest as a claim concerning the presumptive interest of the public. It argues that public interest is defined in opposition to corporate powers and its core content identified by the rights that are all-purposive for the distribution of social benefits. A crucial part of the proposal is dedicated to the impact of security policies and government secrecy on civil liberties. It argues that unrestrained secrecy limits the epistemic entitlement of citizens to know under which conditions their rights are limited by security policies and corporate interests. When citizens are denied the right to assess when these policies are prejudicial to their freedoms, whistleblowing represents a legitimate form of political agency that safeguards the fundamental rights of citizens against the threat of unrestrained secrecy by government power. Finally, the book contributes to shifting the attention of democratic theory from the procedures of consent formation to the mechanisms that guarantee the expression of dissent. It argues that whistleblowing is a distinctive form of civil dissent that contributes to the demands of institutional transparency in constitutional democracies and explores the idea that the way institutions are responsive to dissent determines the robustness of democracy, and ultimately, its legitimacy. What place dissenters have within a society, whether they enjoy personal safety, legal protection, and safe channels for their disclosure, are hallmarks of a good democracy, and of its sense of justice.

NEW MORAL WORLD, OR, GAZETTE OF THE UNIVERSAL COMMUNITY SOCIETY OF RATIONAL RELIGIONISTS

A WATCHMAN IN THE NIGHT

A JOURNALIST REFLECTS ON 50 YEARS OF REPORTING ON AMERICA

"For more than 40 years, Cal Thomas had a front row seat to some of America's most contentious public policy debates. And for more than four decades, Cal wielded his pen to speak truth to power and to advance traditional conservative values. Cal's stories and tales from that front row--as the watchman--are sure to entertain!" --Vice President Mike Pence "Ask me a question and I will give you my answer."--Cal Thomas CAL THOMAS IS AMERICA'S "WATCHMAN" IN THE NIGHT In A WATCHMAN IN THE NIGHT, Cal Thomas--one of the most popular syndicated columnists in the country--takes the reader on a "road trip" through over fifty years of journalism and American life, serving as a "watchman" on culture and politics and seeking to conform it to a standard that never changes. A watchman "keeps guard over a building at night, to protect it from fire, vandals, or thieves." Thomas is a believer that certain values and principles never change and has critiqued misbehavior and wrong-headedness by people on "his side" from the start. "If values and Truth mean anything," Thomas says, "they must be applied equally. Hypocrisy and heresy cannot be ignored no matter the source." In the book, Thomas does not stigmatize with labels, such as "conservative" and "religious," because Thomas says: "It allows people to define me and others by their perception of those labels. Ask me a question and I will give you my answer." For over fifty years in journalism, Thomas has offered incisive, humorous and often corrective commentary to our social, political, and religious conversations. An early commitment to addressing publicly what he sees has marked Thomas' entire career. Cal has always called both parties, both sides of the American political divide, to account, to take the high road and to honor our civic and religious ideals with compatible behavior to the very best of our ability. This increasingly "radical" approach to public life has won for him many friends on both sides of the political aisle, hundreds of thousands of faithful readers of his columns, and a continuous barrage of accolades and "hate mail", much of it charming in its own right when it is not too foul to repeat. Cal came to the Christian faith while a young journalist at a dinner led by Dr. Richard Halverson, Pastor at Fourth Presbyterian Church in Bethesda, MD, and later, Chaplain of the United States Senate. This experience informed the rest of Cal's life as he hosted his own private dinners for members of the press and members of Congress from both parties leading to deep friendships with Senator Ted Kennedy and many others, friendships which became a hallmark of Cal's life despite wide political differences. For over two decades, Cal has hosted the National Prayer Breakfast Media Dinner as a continuation of his commitment to the reality that a relationship with Jesus Christ can change a person's life and ultimately change a nation, and that things of such import are best discussed over dinner. The book include tones about faith, but focuses on American social, cultural and political currents. A WATCHMAN IN THE NIGHT: A JOURNALIST REFLECTS ON FIFTY YEARS OF REPORTING ON AMERICA is a living history of our times, of who we were then and who we are now and who we might become (for better or worse) in the future, and a remarkable chronicle of modern American life. "This is what I have done--and am continuing to do--as I seek to serve God first and then my country."--Cal Thomas

OHIO DECISIONS REPRINTS

1-13

THE POWER PARADOX

HOW WE GAIN AND LOSE INFLUENCE

Penguin UK A revolutionary rethinking of everything we know about power It shapes every interaction we have, whether we're trying to get a two-year-old to eat green vegetables or ask for a promotion at work. But how do we really gain power? And what does it do to us? As renowned psychologist Dacher Keltner reveals, the new science of power shows that our Machiavellian view of status is wrong. Influence comes not to those who are ruthless, but to those with socially intelligence and empathy. Yet, ironically, the seductions of success lead us to lose those very qualities that made us powerful

in the first place. Keltner draws on fascinating case studies to illuminate this 'power paradox', revealing how it shapes not just companies and elections but everyday relationships. As his myth-busting research shows, power - and powerlessness - distorts our behaviour, affecting whether or not we will have an affair, break the law, drive recklessly or find our purpose in life. In twenty original 'power principles', Keltner shows how we can retain power by maintaining a focus on others. By redefining power as the ability to do good, *The Power Paradox* turns everything we know about influence, status and inequality upside down.

REPORTS OF CASES ARGUED AND DETERMINED IN OHIO COURTS OF RECORD: WESTERN LAW JOURNAL

INTRODUCTION TO CHRISTIAN THEOLOGY

CONTEMPORARY NORTH AMERICAN PERSPECTIVES

Westminster John Knox Press This book covers a broad spectrum of current perspectives in theology, including evangelical, liberal, liberationist, feminist, and postmodern approaches. A textbook for introductory theology classes in seminaries and colleges, this wide-ranging collection of essays also represents the best available resource for any reader seeking to explore and understand the diversity of current trends in theology and ethics.

THE NATION

A TREATISE ON THE LAW OF SELF DEFENSE, TRIAL BY JURY IN CRIMINAL CASES, AND NEW TRIALS IN CRIMINAL CASES

TALKING TO STRANGERS

WHAT WE SHOULD KNOW ABOUT THE PEOPLE WE DON'T KNOW

Penguin UK THE INTERNATIONAL BESTSELLER 'Compelling, haunting, tragic stories . . . resonate long after you put the book down' James McConnachie, Sunday Times Book of the Year The routine traffic stop that ends in tragedy. The spy who spends years undetected at the highest levels of the Pentagon. The false conviction of Amanda Knox. Why do we so often get other people wrong? Why is it so hard to detect a lie, read a face or judge a stranger's motives? Using stories of deceit and fatal errors to cast doubt on our strategies for dealing with the unknown, Malcolm Gladwell takes us on an intellectual adventure into the darker side of human nature, where strangers are never simple and misreading them can have disastrous consequences.

POST-TRUTH

MIT Press How we arrived in a post-truth era, when "alternative facts" replace actual facts, and feelings have more weight than evidence. Are we living in a post-truth world, where "alternative facts" replace actual facts and feelings have more weight than evidence? How did we get here? In this volume in the MIT Press Essential Knowledge series, Lee McIntyre traces the development of the post-truth phenomenon from science denial through the rise of "fake news," from our psychological blind spots to the public's retreat into "information silos." What, exactly, is post-truth? Is it wishful thinking, political spin, mass delusion, bold-faced lying? McIntyre analyzes recent examples—claims about inauguration crowd size, crime statistics, and the popular vote—and finds that post-truth is an assertion of ideological supremacy by which its practitioners try to compel someone to believe something regardless of the evidence. Yet post-truth didn't begin with the 2016 election; the denial of scientific facts about smoking, evolution, vaccines, and climate change offers a road map for more widespread fact denial. Add to this the wired-in cognitive biases that make us feel that our conclusions are based on good reasoning even when they are not, the decline of traditional media and the rise of social media, and the emergence of fake news as a political tool, and we have the ideal conditions for post-truth. McIntyre also argues provocatively that the right wing borrowed from postmodernism—specifically, the idea that there is no such thing as objective truth—in its attacks on science and facts. McIntyre argues that we can fight post-truth, and that the first step in fighting post-truth is to understand it.

DISCIPLINE OF THE SOCIETY OF FRIENDS, OF INDIANA YEARLY MEETING :

THE DISCIPLINE OF THE RELIGIOUS SOCIETY OF FRIENDS, OF THE OHIO YEARLY MEETING

THE PESHITTA HOLY BIBLE TRANSLATED

Lulu.com This is the complete Bible in one volume (3rd edition), translated entirely from the Aramaic text of the 1st century Peshitta Bible. Aramaic was native tongue of Jesus, the Jewish people and the Middle East in the 1st century. The Peshitta New Testament is the original inspired writing of Rukha d'Qoodsha- The Spirit of Holiness in the language of The Christ, his Apostles and of Israel and the Middle East. Greek came a bit later as a translation of the Aramaic originals. The Peshitta OT was translated in the 1st century from even older Hebrew mss. which had not been "standardized" by the Scribes of Jesus' time. This is the hard cover 6x9 edition. No notes are included, and 740 pages is the max. size for a 6x9" printed book. Notes are available in other separate OT and NT print editions. 708 pages
