SOCIAL WORK ASWB MASTERS EXAM GUIDE

A COMPREHENSIVE STUDY GUIDE FOR SUCCESS

Springer Publishing Company Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.

EMPLOYMENT TESTING MANUAL**ORGANIZATIONAL BEHAVIOR**

McGraw-Hill/Irwin Organizational Behavior, Eighth Edition, continues in its tradition of being an up-to-date, relevant and user-driven textbook. Kreitner and Kinicki's approach to organizational behavior is based on the authors' belief that reading a comprehensive textbook is hard work, but that the process should be interesting and sometimes fun. Thus, they consistently attempt to find a way to make complex ideas understandable through clear and concise explanations, contemporary examples, a visually appealing photo/art program, and/or learning exercises. With every edition, the authors make every effort to respond to user feedback and ensure the text covers the very latest OB research and practices. The cover again depicts the well-known Wolf brand, but this time with a black and white illustration of two wolves. This remains a central theme because Kreitner and Kinicki see wolves as an instructive and inspiring metaphor for modern Organizational Behavior. Wolves are dedicated team players, great communicators, and adaptable. These are key success attributes in today's workplace.

ENERGY RESEARCH ABSTRACTS**NATIONAL ACAC JOURNAL****PUBLIC AFFAIRS INFORMATION SERVICE BULLETIN****MINNESOTA WELFARE****UNDERGRADUATE GUIDE: TWO-YEAR COLLEGES 2011**

Peterson's Peterson's Two-Year Colleges 2011 includes information on nearly 2,000 accredited two-year undergraduate institutions in the United States and Canada, as well as some international schools. It also includes scores of detailed two-page descriptions written by admissions personnel. College-bound students and their parents can research two-year colleges and universities for information on campus setting, enrollment, majors, expenses, student-faculty ratio, application deadline, and contact information. **SELLING POINTS:** Helpful articles on what you need to know about two-year colleges; advice on transferring and returning to school for adult students; how to survive standardized tests; what international students need to know about admission to U.S. colleges; and how to manage paying for college. **State-by-state summary table** allows comparison of institutions by a variety of characteristics, including enrollment, application requirements, types of financial aid available, and numbers of sports and majors offered. **Informative data profiles** for nearly 2,000 institutions, listed alphabetically by state (and followed by other countries) with facts and figures on majors, academic programs, student life, standardized tests, financial aid, and applying and contact information. **Exclusive two-page in-depth descriptions** written by college administrators for Peterson's Indexes offering valuable information on associate degree programs at two-year colleges and four-year colleges-easy to search alphabetically.
