Medical Anthropology
A Biocultural Approach

Oxford University Press, USA **Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival. Because students who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. The authors first present basic biological information on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging, race/racism and health, mental health, and healers and healing.**

Mid Ocean

Akula Media Group **Mid Ocean** is a Novel of fiction by Author T. Rafael Cimino and is about the war on drugs as it occurs in South Florida in the year 1984. Joel Kenyon has lived in his father's shadow for most of his life. Even after his Dad's death, the man's powerful legacy still haunts him at every turn. As he graduates from the U. S. Custom's Academy, Joel is assigned strategic duty in the 'bad-lands' of U. S. drug enforcement, the Florida Keys. Set in 1984, **Mid Ocean** shows the lives of the sometimes violent drug smugglers and the men and women sworn to uphold the law in this Caribbean 'wild west'. In the end, Joel Kenyon will question everyone, including himself in a quest for what's right and true. It is here that he will find out the sea holds many secrets.

Disciple IV

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase **DISCIPLE** program and is prepared for those who have completed **BECOMING DISCIPLES THROUGH BIBLE STUDY**. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for **DISCIPLE IV: UNDER THE TREE OF LIFE**. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

A Tapestry of Witches

Ode to the Warriors

Balboa Press **When Snr Sgt Alan Barkley kissed his wife goodbye and headed to work, he did not expect flooded inlets, a dead body and two serial killers to land on his plate. Nor did his constables expect an increase of outrageous events to occur while on routine inspections and visits. Margot Jensen and best friend, Jessica Raynor, were excited about a road trip and the prospect of getting a puppy. Neither aware of what bizarre events awaited them. Abigail Christianson still reeled over last night's news, concerning her fiancé's killer. Her psychic neighbour, Trina McAvoy had picked up on some disturbing energy while her husband, Simon prepared for their guests. Nurse Sally was anxious to get home after a perplexing double shift. Phoebe Lattross sat at home, awaiting her ride. She is the only one aware of what lies ahead. Can she bring her lost family together, convince them of who they really are and ready them for this seething darkness, a malevolence so evil, it will take all their combined strength if they wish to defeat it? This is the cold heart of winter, and this is the battle that must be fought. Can our warriors find the strength to defeat this ancient wrong? Or will their souls be lost forever?**

A World on Edge

The End of the Great War and the Dawn of a New Age

Pan Macmillan **A World on Edge reveals Europe in 1918, left in ruins by World War I. With the end of hostilities, a radical new start seems not only possible, but essential, even unavoidable. Unorthodox ideas light up the age like the comets that have recently passed overhead: new politics, new societies, new art and culture, new thinking. The struggle to determine the future has begun. The sculptor Käthe Kollwitz, whose son died in the war, was translating sorrow and**

loss into art. Ho Chi Minh was working as a dishwasher in Paris and dreaming of liberating Vietnam, his homeland. Captain Harry S. Truman was running a men's haberdashery in Kansas City, hardly expecting that he was about to go bankrupt - and later become president of the United States. Professor Moina Michael was about to invent the 'remembrance poppy', a symbol of sacrifice that will stand for generations to come. Meanwhile Virginia Woolf had just published her first book and was questioning whether that sacrifice was worth it, while the artist George Grosz was so revolted by the violence on the streets of Berlin that he decides everything is meaningless. For rulers and revolutionaries, a world of power and privilege was dying - while for others, a dream of overthrowing democracy was being born. With novelistic virtuosity, historian Daniel Schönflug describes this watershed year as it was experienced on the ground - open ended, unfathomable, its outcome unclear. Told from the vantage points of people, famous and ordinary, good and evil, who lived through the turmoil and combining a multitude of acutely observed details, Schönflug composes a brilliantly conceived panorama of a world suspended between enthusiasm and disappointment, and of a moment in which the window of opportunity was suddenly open, only to quickly close shut once again.
