It can be used as a college course, a self-study course, or as an exam preparation course to prepare individuals for the national Spanish for Nurses certification exam found on SCRON.org. Once the textbook is purchased, register for the free online lessons at <https://www.scron.org/register/> and within 24 hours, after verification of purchase, you will be given free access to the online lessons. If you don't receive access within 2 business days, please email [contact@scron.org](mailto:contact@scron.org) with your name and the date of your purchase, and you will be verified and given access to the online lessons. How Long Does it Take to Complete? On average, it takes individuals 3-5 hours per week for 15 weeks to complete the Spanish for Nurses course. What Level of Spanish is Needed to Take the Course? The course has been created for currently active Nurses as well as those studying to be nurses with little to no knowledge of Spanish. However, individuals who have taken a year or two of Spanish in High School or College will still greatly benefit from the course. How Many Words and Phrases Will I Learn? There are over 350 words and phrases that are contained in the following sections of the medical Spanish for Nurses course: (1) Greetings (2 Chapters)(2) Negotiating a Conversation (1 Chapter)(3) Common Nurse Phrases (2 Chapters)(4) What is Your Name? (1 Chapter)(5) Do you speak English? (2 Chapters)(6) Basic Anatomy and Key Phrases (7 Chapters)(7) Where are you from? (2 Chapters)(8) Medical Verbs and Conversations (6 Chapters)(9) Medical Assessment (2 Chapters)(10) Final Review (1 Chapter) Be sure to "Look Inside" at the left of this product page to learn more about each chapter. How Does the Certification Course Work? There are 150 possible questions on the certification course. The course randomly chooses 100 of the 150 questions. The order, of the

questions and answers, is changed every time and it is a timed test. There is not enough time given for learners to look up the questions. They have to know them well before taking the exam or they will not pass. The certification exam costs \$100, but the exam prep course is free with the purchase of this textbook (see above). In the exam prep lessons, a practice exam can be taken unlimited times to prepare for the final exam.

**The Theories Behind the Course** This course was designed based on many pedagogical (learning) and neuroscience (brain science) theories that the author studied in-depth during his Master's degree in Language Pedagogy and throughout his career as Director of the U.S. Institute of Languages. Negotiating a Conversation The approach this course uses recognizes that it takes new Spanish speakers years to become fluent. However, if a nurse learns the medical vocabulary and strategies to properly negotiate a conversation, (s)he can learn to work through virtually any situation in a relatively short period of time. For example, if a patient says something a nurse doesn't understand, the nurse can ask them to repeat it or say it slower. If a nurse doesn't know how to say something, (s)he can point to it and ask *¿Cómo se dice?* (How do you say that.) These and many other techniques that are taught to help a nurse work through new situations.

**Use of Technology** The use of technology can be very helpful to get through tricky situations. However, if a nurse only uses technology, this provides a poor patient experience and demonstrates poor bedside manner. Also, if only technology is used, body language and gestures are missed and the meaning can be misinterpreted. It is recommended that the nurse continue learning as much as possible using this course and software, then use technology to fill in the gap. Learn More about the Authors Take a "Look Inside" the textbook (at the left) to learn more.

**US Citizenship Test Study Guide Realize your Dream of Freedom and Pride Passing the Exam with the Last Naturalization Prep and Practice Book | 100 Civics Questions and 2 Tests with Detailed Answers Included** Donald Bond Would you like to pass the exam to become a U.S. citizen without fear of failing and retaking it? It is designed for instructors and students, with questions and activities based on each of the 19 readings for students to engage in active learning. **Research in Education The School World A Monthly Magazine of Educational Work and Progress** Language for Specific Purposes Trends in Curriculum Development Georgetown University Press Language for specific purposes (LSP) refers to language courses specific to a content area, such as Business Spanish or French for Engineering. Although around for some time, it has gained increasing interest in the last ten years because of the demand for language programs to provide a "practical skill" and, in many cases, from students wishing to build marketability with their language skills. At most language conferences, LSP sessions are on the agenda in some form. There's also crossover in this area with languages in the community programs (service learning/social justice/heritage learners/etc.). Little research has been done on the topic. Rising from a new biennial conference, this edited volume provides a seminal set of studies that opens dialogue for further development of LSP curriculum--a hot topic. The areas of focus include what research is needed going forward, current curriculum development and where it is going, and what it means to bring language skills into the workplace. Both K12 and higher ed are addressed. The editor has pulled together strong essays to address some key topics in LSP into a volume that will really contribute to the field. TOC includes a who's who in the field. Extra research data as PDFs will be made available on the GUP website for those interested. **Playground and Recreation Director's Handbook Preparation for Career Positions in Public and Private Playgrounds and Child Recreation Centers** **Revise GCSE History** Letts and Lonsdale New editions of the bestselling *Revise GCSE Study Guides* with a fresh new look and updated content in line with curriculum changes. *Revise GCSE* contains everything students need to achieve the GCSE grade they want.
